In an Interim Order entered June 20, 1985, the Commission approved an initial rate of \$8.50 per month per customer for water service. In that Order, the Commission also required the County of Harlan, Kentucky, ("Harlan County") to file a copy of its monthly operating statement, prepared in accordance with the Uniform System of Accounts, commencing with June 1985. Each statement was to be filed no later than 30 days after the end of each calendar month.

Harlan County did file an operating statement for June 1985 on a timely basis, but, as of this date, has not filed an operating statement for July 1985.

FINDINGS AND ORDERS

The Commission, after consideration of the evidence of record and being advised, is of the opinion and finds that:

1. Harlan County should file a copy of its operating statement, prepared in accordance with the Uniform System of Accounts, for July 1985 within one week of the date of this Order.

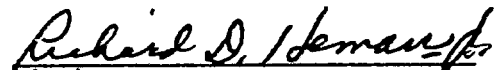

2. Harlan County should file a motion for an extension of time when it cannot file a copy of its monthly operating statement on a timely basis.

IT IS THEREFORE ORDERED that Harlan County shall file a copy of its operating statement, prepared in accordance with the Uniform System of Accounts, for July 1985 within one week of the date of this Order.

IT IS FURTHER ORDERED that Harlan County shall file a motion for an extension of time when it cannot file a copy of its monthly operating statement on a timely basis.
